

Mohammad Hossein Mohammadi

UI & UX Designer || Experienced UX/UI Designer

Iran • +98-913-4032-885 • M.H.Mohammadimir2017@gmail.com • [Linkedin](#)

A product designer in love with web and mobile interface design / UX design

With a background of working in computer software programming, I have helped businesses and development teams for 3 years to create meaningful, satisfying and enjoyable products for their users.

I try to keep my eyes wide open to find solutions to various problems. I think every solution is a story, and I'm always seeking out new stories in the world of design!
